	KS-052834	Suitable for Wire; 2.4~2.7mm
	KS-053034	Suitable for Wire; 2.7~2.9mm
	KS-053234	Suitable for Wire; 2.9~3.1mm
	KS-053534	Suitable for Wire; 3.1~3.4mm
	KS-0525W34	Suitable for Wire; 2.1~2.4mm
	KS-0532W34	Suitable for Wire; 2.9~3.1mm

Details of part change

- The listed parts will cease to be manufactured and available for supply following the change commencement date.

Reason for EOL:

- This End of Life (EOL) decision on the above products was made as part of our ongoing product lifecycle management process.

Impact of Change:

- The aforementioned products or versions of them will no longer be available after the final delivery date. Note, change commencement.

Customer Action:

- Please note and update your records accordingly. To ensure your last time purchase orders are fulfilled on time, present your final product demand in the form of a non-cancellable, non-returnable (NCNR) purchase order as soon as possible and no later than the change commencement date.

Change commencement:

- Based on stock rotation from the date of this notification, but no later than 31st August 2024*. Whichever comes first.

* On certain products.
