Information****Issue No.** PTI-JUK141**Date:** 19th August 2024**Source No.** TSSUK32946 / PS24-UK022**Page** 1 of 2**Title:** Soft Insulation Sleeves (Straight Type <KF-110 Version>): Product End of Life (EOL) Notification

This serves as formal notification of our decision to End of Life the following;

Target Series

Connector Series	Description	Image
Soft Insulation Sleeves (Straight Type <KF-110 Version>)	Soft Insulation Sleeve for Straight Type Crimp Terminal	

Target product(s)

- See page 2/2.

Details of part change

- The listed parts will cease to be manufactured and available for supply following the change commencement date.

Reason for EOL:

- This End of Life (EOL) decision on the above products was made as part of our ongoing product lifecycle management process.

Impact of Change:

- The aforementioned products or versions of them will no longer be available after the final delivery date. Note, change commencement.

Customer Action:

- Please note and update your records accordingly. To ensure your last time purchase orders are fulfilled on time, present your final product demand in the form of a non-cancellable, non-returnable (NCNR) purchase order as soon as possible and no later than the change commencement date.

Change commencement:

- Based on stock rotation from the date of this notification, but no later than 31st August 2024*. Whichever comes first.

* On certain products.
